

# Synova Release Agents

*Synova release agents provide more value and stability than any other release agent. Reduce oil use, hone your glazing schedule, and extend the release life of your pans with the help of our expert release agent formulas, precise production process, and collaborative sales team.*

## Expertise

You'll feel confident in your product's release—run after run—using Synova release agents and equipment developed by the industry's leading scientists and engineers.

## Innovation

Our new production facility was built from the ground up to ensure only consistent, high-quality products leave through our doors. We've automated formulas to make sure you get the exact release agent you need, when you need it.

## Responsibility

We'll be onsite in your bakery to help you reduce the amount of oil you use, hone your glazing schedule, and extend the release life of your pans—saving your business time and money.
